Staying overnight at Brussels Airport

SAT 8 We depart early and drive directly to Dover, for our crossing to France. We have a short drive to BRUSSELS airport, where we spend the afternoon / evening at the newly opened viewing platform at the threshold of the runway. Then we check-in to our nearby Airport hotel, with views of take-offs.

SUN 9 After breakfast we drive straight to the Airshow. We have plenty of time here, before leaving, late afternoon and heading back to Calais. We arrive back in the UK late evening.
